

East Algarve Walking Football Club 10th Anniversary Event

This September marks the 10th Anniversary of the founding of EAWFC and it is intended that the occasion is marked with an appropriate event to commemorate this milestone.

The Committee has been tasked with gauging the opinion of all club members to ascertain the type of event and venue which would be most appropriate/appreciated by club members.

No firm date or venue has been set, and this survey is not designed to be binding in any way, but it will inform the decision-making process.

It is anticipated that the event will be part-subsidised by the Club and so either event will involve a complimentary drinks package at a cost of around €15-20 per person.

If you could indicate your response to the various parts of the survey by April 30th, this will assist in the decision making process and allow formal planning and booking to commence.

Please either download this form, print it off, fill it in and return to Steve Ashcroft, or alternatively fill it in electronically and then email the completed form to Steve at harpurhey@icloud.com
